

WE SAY GOODBYE TO AN INTENSE 2019 IN TRAINING

AND WELCOME A 2020 THAT PROMISES MUCH CAPACITY BUILDING ACTIVITY FOR OUR MEMBERS

During 2019 a number of virtual courses/workshops/meetings were held, which allowed members to develop their capacities in certain fields of standardization and also to exchange their strengths or good practices for the benefit of their peers. It is worth mentioning that these activities are carried out thanks to the strong support and detachment of COPANT members willing to transmit and share their knowledge.
